PROJECT DESCRIPTION			
We have three projects; one of which is of dire need. The projects are: (1) roof replacement, which is by far our greatest need as we must provide adequate facility for our non-profit agencies; (2) stand-by generator, to provide power in the event of an outage, resulting in the loss of thousands of dollars worth of perishable food; and, (3) solar panels, to reduce future utility costs.

BASIS FOR RECOMMENDATION			
The services provided by the organizations housed in the applicant's facility seem to provide valuable social services to the community; however, the Fund benefits are designed to promote economic development in the designated area. This is not an economic development project.
