- (1) All Allocations are recommended to be up to the amount indicated based on the companies' fulfillment of capital spending, job creation, and new electric load consistent with the ratio of recommended to requested amount.
- (2) These companies are also recommended for retention-related allocations of RNY for separate and distinct job retention and capital investment commitments associated with retaining their existing businesses.
- (3) New jobs committed must be above the base employment level; the base employment values should *not* be included when aggregating retained jobs because they are already accounted for elsewhere
