

GOVERNANCE
SUPPLIER DIVERSITY PROGRAM
January – September 2012

In the last quarter ending September 30, 2012, NYPA awarded \$15.5 million or 16.6% of our reportable expenditures to New York State Certified Minority and Women-Owned Business Enterprises (M/WBEs). From January 2012 thru September 30th, 2012, the Authority awarded \$ 47.7 Million or 18.3 % of our reportable expenditures to New York State Certified M/WBEs. This includes both direct contracts and subcontracts, including construction and energy efficient related work. Reportable expenditures exclude specialty procurements (such as transformers, circuit breakers, turbine runners and other major electrical generating equipment, and commodities such as natural gas, where no M/WBEs are available to provide such goods or services). The mandated goal for fiscal year 2012-2013 remains at 20% and with two quarters remaining, we are positioned to achieve that goal.

It should also be noted that during this last quarter, three different NYS certified M/WBE financial dealers transacted over \$93 Million or 32.4% of principal sales and purchases for the Authority and YTD M/WBEs have transacted in excess of \$195 Million for the Authority.

NYPA's M/WBE advocacy and initiatives continues to be recognized as our Director of Supplier Diversity was recently recognized and presented with a "Woman of Excellence" award by the New York Women Chamber of Commerce.

The Authority continues to actively participate in outreach program with various M/WBE entities and will participate in New York State's upcoming M/WBE Forum.
