

# We're back...

## *Rise 'n Shine*

*Saturday & Sunday  
March 31-April 1, 2012*

2011 was a pretty tough year here in the Schoharie Valley. But we're picking up the pieces and looking to the future.

This year – with more meaning than ever – we're once again celebrating "Rise 'n Shine", our kickoff to

Spring. Be sure to check out all the brightly colored roosters in the Valley! Pick up a list of rooster locations from any participating

Valley Association member. The more roosters you see, the more it will feel like Spring!

*It's going to be a great spring in the Valley, so come on out and support our businesses!  
Many of our members will be showing off their Valley roosters and there are  
special activities throughout the Valley.  
Information is correct as of 3/23/12; however, we suggest calling before you arrive.*
