

Life Moves Forward

Aflac Always® keeps your benefits moving forward, too

Ready or not, your life moves forward. Make sure your Aflac coverage moves with you. With Aflac Always, your benefits are protected through automatic payments even if you change jobs, your employer stops providing payroll deductions for your premium or you retire.

With Aflac Always:

You keep the policy just the way it's always been. Keep your insurance policies without having to do any extra paperwork, and lock in the same premium rate you enjoyed with your employer.*

You choose how you pay. Select how your premiums are paid (e.g., bank draft) and when.

It's ready to go to work for you, 24/7. Should you ever change jobs or retire, Aflac Always is ready to step in to help ensure you keep your coverage.

Protecting your policy is FREE and as easy as 1-2-3! Simply log in to **aflac.com/myaflac**, select Aflac Always in the left column and enter your payment information.
