1 List of General Design Drawings for Existing Features

General design drawings for the Vischer Ferry Hydroelectric Project (Project) (FERC No. 4679) as described in Exhibit A will be provided in the Final License Application (FLA). The drawings will include plans, views, elevations, profiles and sections in accordance with the requirements of Section 4.41(g)(1) of the Federal Energy Regulatory Commission's (FERC or the Commission) regulations (Title 18 of the Code of Federal Regulations). In the FLA, Table 1-1 will provide a list of drawings contained within this exhibit.
