### AUTHORIZATION OF BONDS

**201. Principal Amount, Designation and Series.** Pursuant to the provisions of the General Resolution, one or more Series of Obligations entitled to the benefit, protection and security of such provisions are hereby authorized with the following designation: the "Series 201\_\_ Revenue Bonds." The aggregate principal amount of each Series of Bonds shall be set forth in the Certificate of Determination relating to the respective Bonds; provided that the aggregate principal amount of such Bonds shall not exceed \$220,000,000, of which not more than \$100,000,000 in principal amount shall be issued for the purpose set forth in Section 202(iii) and capitalized interest and financing costs related thereto. Individual maturities of the Bonds or portions thereof may bear such additional designations, if any, as may be set forth in the related Certificate of Determination. In the event that any Series of Bonds is not issued in calendar year 2010, the applicable Certificate of Determination may (i) redesignate the year and Series of such Bonds and (ii) make any other conforming changes deemed necessary or appropriate to reflect the year of issuance. Each Series shall initially bear interest in accordance with the Mode as may be provided by the applicable Certificate of Determination.

**202. Purposes.** (a) The purposes for which the Bonds of any Series are to be issued shall include such of the following as shall be specified in the applicable Certificate of Determination:

(i) refund up to \$77,215,000 of the Authority's Series 2000 A Revenue Bonds;

(ii) refund up to \$41,720,000 of the Authority's Series 2002 A Revenue Bonds;

(iii) fund up to \$80,000,000 in construction costs for the life extension and modernization of the Lewiston pump-generating plant;

(iv) to finance capitalized interest on the Bonds of a Series; and

(v) pay financing costs related to the issuance of the Authority's debt obligations, including underwriters' discount, structuring fees, any insurance premiums, credit enhancement or liquidity fees related to obtaining any municipal bond insurance policy, other credit enhancement or liquidity facilities determined to be necessary or desirable and other costs incurred by the Authority in connection therewith.

(b) Such portion of the proceeds of any Series of Bonds as may be specified in the applicable Certificate of Determination shall be applied for the purposes specified in subsection (a). All such proceeds shall be deposited and applied in accordance with the applicable Certificate of Determination.

**203. Details of the Bonds.** The following provisions set forth the details of the Bonds.

(a) **Dates, Maturities and Interest.** The Bonds of each Series shall be dated and shall bear interest from the date as may be specified by the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority pursuant to Section 204

hereof. The Bonds shall mature on the dates and in the principal amounts, and bear interest, as the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority shall specify in the applicable Certificate of Determination. Interest on the Bonds shall be payable semiannually (or at such other frequency as may be specified in the applicable Certificate of Determination) on the interest payment dates and at the respective rates per annum specified in the applicable Certificate of Determination. The Bonds may be Tax-Exempt Obligations or may be Taxable Obligations as may and shall be specified in the applicable Certificate of Determination. Interest on the Bonds shall be calculated as provided in the applicable Certificate of Determination.

The interest rates for the Bonds of a Series contained in the records of the Trustee shall be conclusive and binding, absent manifest error, upon the Authority, the Remarketing Agent, the Tender Agent, the Trustee, the Liquidity Facility Issuer, the Credit Facility Issuer, and the Owners.

The interest rate applicable during any Mode (other than a Fixed Rate determined on or prior to the date of issuance of the related Bonds) shall be determined in accordance with the applicable Certificate of Determination. Except as otherwise provided in the applicable Certificate of Determination, any such rate shall be the minimum rate that, in the sole judgment of the Remarketing Agent, would result in a sale of the Bonds of the Series at a price equal to the principal amount thereof on the date on which the interest rate on such Bonds is required to be determined in accordance with the applicable Certificate of Determination, taking into consideration the duration of the Interest Period, which shall be established by the Authority.

(b) Denominations. Except as otherwise provided in the applicable Certificate of Determination, the Bonds shall be issued in the form of fully registered Bonds in the denomination of \$5,000 or any integral multiple of \$5,000.

(c) Designations. Unless the Authority shall otherwise direct, the Bonds shall be issued in series, and shall be labeled as follows: The Bonds shall be lettered “201\_” and numbered consecutively from one upward as more particularly set forth in the applicable Certificate of Determination.

(d) Payment of Principal and Interest. Principal and Redemption Price of each Bond shall be payable at the Principal Office of the Trustee upon presentation and surrender of such Bond.

The Trustee shall indicate on the Bonds the date of their authentication as provided in Section 205 hereof. Interest on the Bonds shall be payable from the interest payment date next preceding the date of authentication to which interest shall have been paid, unless such date of authentication is an interest payment date, in which case from such date if interest has been paid to such date; provided, however, that interest shall be payable on the Bonds from such date as may be specified by the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority pursuant to Section 204 hereof, if the date of authentication is prior to the first interest payment date therefor. Interest on the Bonds shall be payable on the interest payment dates specified in the applicable Certificate of Determination to the registered owner as of the close of business on the Record Date specified in the applicable Certificate of Determination, such interest to be paid by the Trustee by check mailed to the registered owner at his or her address as it appears on the books of registry; provided, however, that upon redemption of any Bond, the accrued interest payable upon redemption shall be payable at the Principal Office of the Trustee upon presentation and surrender of such Bond, unless the redemption date is an interest payment date, in which event the interest on such Bond so redeemed shall

be paid by the Trustee by check mailed to the registered owner at his address as it appears on the books of registry.

The principal or Redemption Price of and interest on the Bonds shall also be payable at any other place which may be provided for such payment by the appointment of any other Paying Agent or Paying Agents as permitted by the General Resolution.

The foregoing provisions of this subsection (d) shall be subject to the provisions of subsection (f) of this Section.

The principal of and premium, if any, and interest on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

(e) Trustee, Registrar, Paying Agent and Escrow Agent. The Bank of New York Mellon is the successor Trustee for the Obligations pursuant to Section 712 of the General Resolution. The Trustee is also hereby appointed as the Registrar and Paying Agent for the Bonds and, to the extent an escrow account is established in connection with the refunding of the Series 2000 A Bonds or the Series 2002 A Bonds, shall be the Escrow Agent with respect thereto.

(f) Securities Depository. The Bonds when initially issued shall be registered in the name of Cede & Co., as nominee of DTC, in the form of a single fully registered Bond for each maturity of the Bonds with a different interest rate applicable thereto. DTC is hereby appointed initial Securities Depository for the Bonds, subject to the provisions of subsection (g) of this Section. So long as DTC or its nominee, as Securities Depository, is the registered owner of Bonds, individual purchases of beneficial ownership interests in Bonds may be made only in book-entry form by or through DTC participants, and purchasers of such beneficial ownership interests in Bonds will not receive physical delivery of bond certificates representing the beneficial ownership interests purchased.

So long as DTC or its nominee, as Securities Depository, is the registered owner of Bonds, payments of principal of and premium, if any, and interest on such Bonds will be made by wire transfer to DTC or its nominee, or otherwise as may be agreed upon by the Authority, the Trustee and DTC. Transfers of principal, premium, if any, and interest payments to DTC participants will be the responsibility of DTC. Transfers of such payments to Beneficial Owners of Bonds by DTC participants will be the responsibility of such participants and other nominees of such Beneficial Owners.

So long as DTC or its nominee, as Securities Depository, is the registered owner of Bonds, the Authority shall send, or cause the Trustee to send, or take timely action to permit the Trustee to send, to DTC notice of redemption of such Bonds and any other notice required to be given to registered owners of such Bonds pursuant to the Resolution, in the manner and at the times prescribed by the Resolution, except as may be agreed upon by the Authority, the Trustee (if applicable) and DTC.

Neither the Authority nor any Fiduciary shall have any responsibility or obligation to the DTC participants, Beneficial Owners or other nominees of such Beneficial Owners for (1) sending transaction statements; (2) maintaining, supervising or reviewing the accuracy of, any records maintained by DTC or any DTC participant or other nominees of such Beneficial Owners; (3) payment or the timeliness of payment by DTC to any DTC participant, or by any DTC participant or other nominees of Beneficial Owners to any Beneficial Owner, of any amount due in respect of the principal of or redemption premium, if any, or interest on Bonds; (4) delivery or timely delivery by DTC to any DTC

participant, or by any DTC participant or other nominees of Beneficial Owners to any Beneficial Owners, of any notice (including notice of redemption) or other communication which is required or permitted under the terms of the Resolution to be given to holders or owners of Bonds; (5) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of Bonds; or (6) any action taken by DTC or its nominee as the registered owner of the Bonds.

Notwithstanding any other provisions of this Ninth Supplemental Resolution to the contrary, the Authority, the Registrar, Paying Agent, and the Trustee shall be entitled to treat and consider the person in whose name each Bond is registered in the books of registry as the absolute owner of such Bond for the purpose of payment of principal, Redemption Price, and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal and Redemption Price of and interest on the Bonds only to or upon the order of the respective owners, as shown in the books of registry as provided in this Ninth Supplemental Resolution, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to payment of principal and Redemption Price of and interest on such Bonds to the extent of the sum or sums so paid.

Notwithstanding any other provisions of this Ninth Supplemental Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal and Redemption Price of, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, pursuant to DTC's rules and procedures.

Payments by the DTC participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such DTC participant and not of DTC, the Trustee or the Authority, subject to any statutory and regulatory requirements as may be in effect from time to time.

Provisions similar to those contained in this subsection (f) may be made by the Authority in connection with the appointment by the Authority of a substitute Securities Depository, or in the event of a successor to any Securities Depository.

Authorized Officers are hereby authorized to enter into such representations and agreements as they deem necessary and appropriate in furtherance of the provisions of this subsection (f).

(g) Replacement Bonds. The Authority shall issue Bond certificates (the "Replacement Bonds") directly to the Beneficial Owners of the Bonds, or their nominees, in the event that DTC determines to discontinue providing its services with respect to the Bonds, at any time by giving notice to the Authority, and the Authority fails to appoint another qualified Securities Depository to replace DTC. In addition, the Authority also shall issue Replacement Bonds directly to the Beneficial Owners of the Bonds, or their nominees, in the event the Authority discontinues use of DTC as Securities Depository at any time upon determination by the Authority, in its sole discretion and without the consent of any other person, that Beneficial Owners of the Bonds shall be able to obtain certificated Bonds.

(h) Notices. In connection with any notice of redemption provided in accordance with Section 405 of the General Resolution, notice of such redemption shall also be sent by the Trustee by first class mail, overnight delivery service or other secure overnight means, postage prepaid, to the appropriate Credit Facility Issuer, to any Rating Agency and to at least two (2) national information

services that disseminate securities redemption notices, in each case not later than the mailing of notice required by the Resolution.

**204. Delegation of Authority.** There is hereby delegated to the Chairman, President and Chief Executive Officer, and the Executive Vice President and Chief Financial Officer of the Authority, and each of them hereby is authorized, subject to the limitations contained herein, with respect to the Bonds of each Series to determine and effectuate the following:

(a) the principal amount of the Bonds to be issued, provided that the aggregate principal amount of the Bonds of such Series to be issued shall not exceed \$220,000,000.

(b) the date or dates, Maturity Date or dates and principal amount of each maturity of the Bonds, the interest payment date or dates of the Bonds, and the date or dates from which the Bonds shall bear interest;

(c) the interest rate or rates of the Bonds, which may include Commercial Paper Rates, Daily Rates, Term Rates, Fixed Rates, Weekly Rates, index-based rates, or other interest rate methodologies, provided, however, that (i) to the extent that fixed rate Bonds are issued, such Bonds, at the date of their issuance, shall have a true interest cost not to exceed five percent (5.0%) for any Bonds intended to be issued as Tax-Exempt Obligations and seven percent (7.0%) for any Bonds intended to be issued as Taxable Obligations, and (ii) to the extent that any variable rate Bonds are issued, the initial rate or rates applicable to such Bonds at the date of their issuance shall not exceed five percent (5%) for any Bonds intended to be issued as Tax-Exempt Obligations and seven percent (7%) for any bonds intended to be issued as Taxable Obligations;

(d) the sinking fund installments for any term Bond and the methodology to be applied to reduce such installments upon redemption by the Authority, if any, of any such term Bond;

(e) the portions of the proceeds of the Bonds of each Series and the amounts to be deposited and applied in accordance with Section 202 hereof;

(f) the redemption provisions of the Bonds;

(g) the tender provisions, if any, of the Bonds

(h) the definitive form or forms of the Bonds and the definitive form or forms of the Trustee's certificate of authentication thereon;

(i) additional or different designations, if any, for particular maturities of Bonds or portions thereof intended to distinguish such maturities or portions thereof from other Bonds; and

(j) provisions that are deemed necessary or advisable by the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority in connection with the implementation and delivery to the Trustee of a Credit Facility;

(k) obtaining municipal bond insurance or other Credit Facility or Liquidity Facility related to the Bonds of a Series or any portion thereof, and complying with any commitment therefor including executing and delivering any related agreement with any Credit Facility Issuer or Liquidity Facility Issuer, to the extent that the Chairman, President and Chief Executive Officer, or the Executive

Vice President and Chief Financial Officer of the Authority determines that to do so would be in the best interest of the Authority; and

(l) any other provisions deemed advisable by the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority, not in conflict with the provisions hereof or of the General Resolution.

The Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority shall execute one or more certificates evidencing determinations or other actions taken pursuant to the authority granted herein, an executed copy of which shall be delivered to the Trustee. Each such certificate shall be deemed a Certificate of Determination and shall be conclusive evidence of the action or determination of such officer as to the matters stated therein. The provisions of each Certificate of Determination shall be deemed to be incorporated in Article II hereof. No such Certificate of Determination shall, nor shall any amendment to this Ninth Supplemental Resolution, change or modify any of the rights or obligations of the Credit Facility Issuer without its written assent thereto.

**205. Form of Bonds and Trustee's Authentication Certificate.** Subject to the provisions of the General Resolution and to any amendment or modifications thereto or insertions therein as may be approved by the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority pursuant to Section 204 hereof, the form of the Bonds, form of assignment, and the Trustee's Certificate of Authentication shall be in substantially the form set forth in Appendix A hereto, with necessary or appropriate variations, omissions and insertions as are incidental to their series, numbers, denominations, maturities, interest rate or rates, registration provisions, redemption provisions, status of interest to owners thereof for Federal income tax purposes, and other details thereof and of their form or as are otherwise permitted or required by law or by the Resolution, including this Ninth Supplemental Resolution. Any portion of the text of any Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Bond. Bonds may be typewritten, printed, engraved, lithographed or otherwise reproduced.

(b) As may be more particularly set forth in the applicable Certificate of Determination, on or before the close of business on the Purchase Date or the Mandatory Purchase Date with respect to Bonds of a Series, the Tender Agent shall purchase such Bonds from the Owners at the Purchase Price. Except as otherwise provided in a Certificate of Determination, funds for the payment of such Purchase Price shall be derived in the order of priority indicated:

Except as may otherwise be provided in the applicable Certificate of Determination, the obligation of the Issuer to reimburse the Liquidity Facility Issuer or to pay the fees, charges and expenses of the Liquidity Facility Issuer under the Liquidity Facility shall constitute a Parity Reimbursement Obligation within the meaning of the Resolution and shall be secured by the pledge of and lien on the Trust Estate created by Section 501 of the General Resolution.

## ARTICLE IV

### ADDITIONAL AUTHORIZATIONS; MISCELLANEOUS

**401. Tax Covenant.** (a) The Authority shall not take or omit to take any action which would cause interest on any Series 2010 Bonds which are designated Tax-Exempt Obligations in an applicable Certificate of Determination to be included in the gross income of any Owner thereof for Federal income tax purposes by reason of subsection (b) of Section 103 of the Internal Revenue Code of 1986 (Title 26 of the United States Code) as in effect on the date of original issuance of such Obligations. Without limiting the generality of the foregoing, no part of the proceeds of any Tax-Exempt Obligations or any other funds of the Authority shall be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Series of Bonds to be an “arbitrage bond” as defined in section 148 of the Internal Revenue Code of 1986 (Title 26 of the United States Code) as then in effect and to be subject to treatment under subsection (b)(2) of Section 103 of the Code as an obligation not described in subsection (a) of said section. The Authority shall pay to the United States any amounts that are necessary for the purpose of compliance with the provisions of Section 148 of the Code.

(b) Notwithstanding any other provision of the Resolution to the contrary, upon the Authority’s failure to observe, or refusal to comply with, the above covenant in paragraph (a), the Owners, or the Trustee acting on their behalf, shall be entitled only to the right of specific performance of such covenant, and shall not be entitled to any of the other rights and remedies provided under Article X of the General Resolution.

**402. Remarketing Agent.** The Authority shall appoint and employ the services of a Remarketing Agent prior to any Purchase Date or Mode Change Date while the Bonds of any Series are in the Daily Rate Mode, Weekly Rate Mode, the Term Rate Mode, or the Commercial Paper Mode. The Authority shall have the right to remove the Remarketing Agent as provided in the Remarketing Agreement.

**403. Tender Agent.** The Authority shall be authorized to and shall appoint and employ the services of the Trustee as Tender Agent pursuant to a Tender Agency Agreement prior to any Purchase Date or Mode Change Date while the Bonds of any Series are in the Daily Rate, Weekly Rate, the Term Rate Mode, or the Commercial Paper Mode. The Authority shall have the right to remove the Tender Agent as provided in the Tender Agency Agreement.

**404. Remarketing Agreements and Tender Agency Agreements.** The Authority hereby authorizes one or more Remarketing Agreements and Tender Agency Agreements with respect to the Bonds of any Series with such modifications and with such Remarketing Agents and such Tender Agents as any Authorized Officer, upon the advice of counsel to the Authority, approves. Any Authorized Officer of the Authority is hereby authorized to execute and deliver such Remarketing Agreements and such Tender Agency Agreements in connection with the original issuance of the Bonds of any Series or remarketing thereof, which execution and delivery shall be conclusive evidence of the approval of any such modifications.

**405. Certain Findings and Determinations.** The Trustees hereby find and determine:

(a) The General Resolution has not been amended, supplemented, or repealed since the adoption thereof except by the resolution of the Authority entitled “First Supplemental Resolution

Authorizing Series 1998 Revenue Bonds” adopted February 24, 1998, by the resolution of the Authority entitled “Second Supplemental Resolution Authorizing Series 2000 A Revenue Bonds” adopted October 31, 2000, by the resolution of the Authority entitled “Third Supplemental Resolution Amending the General Resolution” adopted June 26, 2001, by the resolution of the Authority entitled “Fourth Supplemental Resolution Authorizing Series 2001 A Revenue Bonds and Series 2002 A Revenue Bonds” adopted September 25, 2001, by the resolution of the Authority entitled “Fifth Supplemental Resolution Authorizing Series 2002 A Revenue Bonds” adopted September 17, 2002, by the resolution of the Authority entitled “Sixth Supplemental Resolution Authorizing Series 2003 A Revenue Bonds” adopted November 25, 2003, by the resolution of the Authority entitled “Seventh Supplemental Resolution Authorizing Series 2005 A and Series 2005 B Revenue Bonds” adopted September 20, 2005, and by the resolution of the Authority entitled “Eighth Supplemental Resolution Authorizing Series 2007 A, Series 2007 B, and Series 2007 C Revenue Bonds” adopted September 25, 2007. This Ninth Supplemental Resolution supplements the General Resolution as heretofore amended and supplemented, constitutes and is a “Supplemental Resolution” within the meaning of such quoted term as defined and used in the General Resolution, and is adopted under and pursuant to the General Resolution.

(b) The Bonds constitute and are “Obligations” within the meaning of the quoted word as defined and used in the Resolution.

(c) Any municipal bond insurance policy issued by such municipal bond insurance issuer as may be selected by the Chairman, President and Chief Executive Officer, or the Executive Vice President and Chief Financial Officer of the Authority and specified in the applicable Certificate of Determination, dated the Closing Date, shall constitute and shall be required to be a “Credit Facility” within the meaning of the quoted words as defined and used in the Resolution. Furthermore, any such municipal bond insurance policy, including any charges, fees, costs and expenses that the Credit Facility Issuer may for any Series of Bonds reasonably incur in the administration of the Credit Facility, respectively, or in the pursuit of any remedies under the Resolution or otherwise afforded by law or equity, shall constitute and shall be required to be a “Subordinated Contract Obligation” within the meaning of the quoted words as defined and used in the Resolution, provided, however, the Credit Facility Issuer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Credit Facility.

(d) The Trust Estate is not encumbered by any lien or charge thereon or pledge thereof, other than the parity lien and charge thereon and pledge thereof securing the outstanding 1985 Notes, the notes issued pursuant to the 2007 Revolving Credit Agreement, and certain payments required to be made in connection with the Parity Swap Obligations entered into by the Authority in 1998 and the subordinate liens and charges thereon and subordinated pledge thereof created by the existing Subordinated Indebtedness and Subordinated Contract Obligations.

(e) There does not exist an “Event of Default” within the meaning of such quoted term as defined in Section 1001 of the General Resolution, nor does there exist any condition which, after the giving of notice or the passage of time, or both, would constitute such an “Event of Default.”

**406. Notice to Owners upon Event of Default.** 1. If an Event of Default occurs of which the Trustee has or is deemed to have notice under Section 702(c)(6) of the General Resolution, the Trustee shall give by telecopier or other electronic means or by telephone (promptly confirmed in writing) notice thereof to the Authority. Within two Business Days thereafter (unless such Event of Default has been cured or waived), the Trustee shall give notice of such Event of Default to each Owner, provided,

however, that except in the instance of an Event of Default under Section 1001(i) or (ii) of the General Resolution, the Trustee may withhold such notice to Owners if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of Owners, and provided, further, that notice to Owners of any Event of Default under Section 1001(ii) or (iii) of the General Resolution shall not be given until the grace period has expired.

2. For so long as the Bonds are registered solely in the name of the Securities Depository or its nominee, where the General Resolution provides for notice to the Owners of the Bonds of the existence of, or during the continuance of, any Event of Default, the Trustee shall: (i) establish a record date (the "Record Date") for determining the identity of the Persons entitled to receive such notice; (ii) request a securities position listing from the Securities Depository showing the Depository Participants holding positions in the Bonds affected by such notice as of the Record Date for such notice; (iii) send by first-class, postage prepaid mail, copies of the notice as provided above to each Depository Participant identified in the securities position listing as holding a position in the Bonds as of the Record Date for the notice, to each nationally recognized municipal securities information repository and state information depository (within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission under the Securities Exchange Act of 1934), and to any Person identified to the Trustee as a non-objecting Beneficial Owner (a non-objecting Beneficial Owner is a Person for whom a Depository Participant acts as nominee, and who has not objected to the disclosure of his or her name and security position) pursuant to the immediately following clause; (iv) request that the Depository Participant retransmit the notice to all Persons for which it served as nominee on the Record Date, including non-objecting Beneficial Owners, or retransmit the notice to objecting Beneficial Owners and provide a listing of non-objecting Beneficial Owners for whom the Depository Participant served as nominee on the Record Date to the Trustee and (v) provide as many copies of the notice as may be requested by any nominee owner of the Bonds. Any default in performance of the duties required by this paragraph shall not affect the sufficiency of notice to Owners given in accordance with the provisions of the General Resolution, nor the validity of any action taken under the General Resolution in reliance on such notice to Owners.

**407. Further Authority.** The Chairman, Vice Chairman, President and Chief Executive Officer, Executive Vice President and General Counsel, Executive Vice President and Chief Financial Officer, Senior Vice President - Corporate Planning and Finance, Treasurer, or Deputy Secretary of the Authority, or any Authorized Officer (as defined in the General Resolution) are each hereby authorized to execute and deliver to the Trustee appointed pursuant to the General Resolution such documents and certifications, including, without limitation, any Credit Facility or Liquidity Facility, as may be necessary to give effect to this Ninth Supplemental Resolution and the transactions contemplated hereby.

**408. Effective Date.** This Ninth Supplemental Resolution shall be fully effective in accordance with its terms upon the filing with the Trustee of a copy hereof certified by an Authorized Officer.

[Description of interest rate determination methodology for any Bonds issued as variable rate Bonds, as specified in the applicable Certificate of Determination, to be inserted here.]

This Bond is one of a duly authorized issue of obligations of the Authority designated as its "Obligations" issued and to be issued in various series under and pursuant to the Power Authority Act, Title 1 of Article 5 of the Public Authorities Law, Chapter 43-A of the Consolidated Laws of the State of New York, as amended (herein called the "Act"), and under and pursuant to a resolution of the Authority

adopted on February 24, 1998, entitled “General Resolution Authorizing Revenue Obligations”, and a supplemental resolution of the Authority adopted on October 26, 2010, and entitled “Ninth Supplemental Resolution Authorizing Revenue Bonds” (herein called the “Ninth Supplemental Resolution”). Said resolutions are herein collectively called the “Resolution”. Capitalized terms used herein and not otherwise defined herein shall have the meanings provided in the Resolution.

This Bond is one of a series of Obligations of various maturities designated as “Revenue Bonds, Series 2010 [A][B]” (herein called the “Bonds”) issued in the aggregate principal amount of \$\_\_\_\_\_ under the Resolution. Copies of the Resolution are on file at the office of the Authority and at the Principal Office of The Bank of New York Mellon, as Trustee under the Resolution, or its successor as Trustee (herein called the “Trustee”), in the Borough of Manhattan, City and State of New York. The Trustee is also the Registrar and Paying Agent for the Bonds.

The Obligations are payable as to principal, Redemption Price, and interest solely from and are equally and ratably secured solely by the Trust Estate, subject to the provisions of the Resolution permitting the application of such Trust Estate to the purposes and on the terms and conditions set forth in the Resolution, including, without limitation, the prior application of Revenues to the payment of Operating Expenses. The principal and Redemption Price of, and interest on, the Obligations shall not be payable from the general funds of the Authority nor shall the Obligations constitute a legal or equitable pledge, charge, lien, or encumbrance upon any of the property or upon any of the income, receipts, or revenues of the Authority, except the Trust Estate.

Reference is hereby made to the Resolution, copies of which are on file in the Principal Office of the Trustee, and to all of the provisions of which any holder of this Bond by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the pledge and covenants securing the Obligations, including this Bond; the Revenues and other moneys and securities constituting the Trust Estate pledged to the payment of the principal of and interest on the Obligations issued thereunder; the nature and extent and manner of enforcement of the pledge; the conditions upon which Obligations may hereafter be issued thereunder, payable on a parity from the Trust Estate and equally and ratably secured therewith; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owners of the Obligations; the rights and remedies of the Owner hereof with respect hereto and thereto, including the limitations therein contained upon the right of an Owner hereof to institute any suit, action or proceeding in equity or at law with respect hereto and thereto; the rights, duties and obligations of the Authority and the Trustee thereunder; the terms and provisions upon which the pledges and covenants made therein may be discharged at or prior to the maturity or redemption of this Bond, and the Bond thereafter no longer be secured by the Resolution or be deemed to be Outstanding thereunder, if moneys or certain specified securities shall have been deposited with the Trustee sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

As provided in the Resolution, Obligations may be issued from time to time pursuant to supplemental resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. The aggregate principal amount of Obligations which may be issued under the Resolution is not limited except as provided in the Resolution, and all Obligations issued and to be issued under the Resolution are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Resolution.

To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution or any resolution amendatory thereof or supplemental thereto may be modified or amended by the Authority, with the written consent of the Owners of a majority in principal amount of the Obligations then Outstanding, and, in case less than all of the Obligations will be affected thereby, with such consent of the Owners of at least a majority in principal amount of the Obligations so affected then Outstanding, at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as particular Obligations remain Outstanding, the consent of the Owners of such Obligations shall not be required and such Obligations shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Obligations under the Resolution.

This Bond is transferable, as provided in the Resolution, only upon the books of the Authority kept for that purpose at the above-mentioned office of the Registrar by the Owner hereof in person, or by his attorney duly authorized in writing, upon surrender of the Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the Owner or his duly authorized attorney, and thereupon a new registered Bond or Bonds, and in the same aggregate principal amount, Series, maturity and interest rate shall be issued to the transferee in exchange therefor as provided in the Resolution, and upon payment of the charges therein prescribed. The Authority and each Fiduciary may deem and treat the Person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority nor any Fiduciary shall be affected by any notice to the contrary.

[Description of the applicable redemption provisions, as specified in the applicable Certificate of Determination, to be inserted here.]

When the Trustee shall receive notice from the Authority of its election to redeem Obligations pursuant to the Resolution, and when redemption of Obligations is required by the Resolution, the Trustee shall give notice, in the name of the Authority, of the redemption of such Obligations, which notice shall specify the Series, maturities and, if any maturity shall include Obligations bearing different interest rates and all Obligations of such maturity are not being redeemed, interest rate of the Obligations to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Obligations of any like Series, maturity and interest rate are to be redeemed, the letters and numbers or other distinguishing marks of such Obligations so to be redeemed, and, in the case of Obligations to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed, and, if applicable, that such notice is conditional and the conditions that must be satisfied. Such notice shall further state that on such date there shall become due and payable upon each Obligation to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Obligations to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be given by first class mail, postage prepaid, not less than 30 days nor more than 45 days before the redemption date, to the Owners of any Obligations or portions of Obligations which are to be redeemed, at their last addresses, if any, appearing upon the registry books. Failure so to mail any such notice to any particular Owner shall not affect the validity of the proceedings for the redemption of Obligations not owned by such Owner and failure of any Owner to receive such notice shall not affect the validity of the proposed redemption of Obligations.

Any notice of optional redemption may state that it is conditional upon receipt by the Trustee of moneys sufficient to pay the Redemption Price of such Obligations or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such Redemption Price if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission shall be given by the Trustee to affected Owners of Obligations as promptly as practicable upon the failure of such condition or the occurrence of such other event.

The principal of the Bonds may be declared due and payable before the maturity thereof, and such declaration may be annulled, as provided in the Resolution.

The Act provides that neither the members of the Authority nor any person executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Pursuant to Section 1011 of the Act, the Authority, as agent for the State of New York, does hereby pledge to and agree with the holder of this Bond that the State of New York will not limit or alter the rights vested in the Authority by the Act, as amended, until this Bond and each of the other Bonds, together with the interest hereon and thereon, have been fully met and discharged or adequate provisions have been made by law for protection of the holders of all such Bonds.

The Bonds shall not be a debt of the State of New York, and the State shall not be liable thereon.

It is hereby certified and recited that all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, exist, have happened and have been performed and that the issuance of the Bonds, together with all other indebtedness of the Authority, is within every debt and other limit prescribed by the laws of the State of New York.

This Bond shall not be entitled to any benefit under the Resolution or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the execution by the Trustee of the Trustee's Certificate hereon.

**IN WITNESS WHEREOF, POWER AUTHORITY OF THE STATE OF NEW YORK** has caused this Bond to be signed in its name and on its behalf by the facsimile signature of its [President and Chief Executive Officer], and its corporate seal (or facsimile thereof) to be hereunto affixed, imprinted, engraved or otherwise reproduced and attested by the facsimile signature of its Secretary, a Deputy Secretary, or an Assistant Secretary.
