

You're Invited to a  
**PUBLIC OPEN HOUSE**  
on Plans for a New Power Line  
to Serve the Tri-Lakes Region

**Friday, June 10 from 3 pm to 9 pm**  
**Ivy Terrace Room, 38 Boyer Avenue, Tupper Lake**

Join us to learn about...the project sponsors...route locations  
being studied...reliability benefits from a new power line...  
environmental and engineering topics ... costs...  
schedule...permitting and licensing...and much more.

***Come give us your comments, ideas, suggestions & questions!***
