**About the Pet Talent Show:** Contestants should check in at the NYPA Information Tent to receive their performance number. The pet talent show will take place in Tent #3. Contestants and their pets should gather in front of the tent at 12:30 p.m. for an optional pre-show pet parade around the Niagara Power Vista traffic circle. Each act will have approximately 1 minute to perform the talent. Owners and/or trainers must be on stage with the animal. PA system will be available for owners who need this as a part of the act.

**Please note:** Animals should be limited to small house pets such as small dogs, cats, birds, hamsters, gerbils, etc. If you have a question on whether your pet can be included, please call 716-286-6652. A preview of the talent may be a deciding factor in approving participation. Owners agree to have pets on a leash or in a pet-friendly carrier, whichever is applicable, when not participating in the show. All talents must be family- and/or pet-friendly and should not harm animals in any way. Animals must be comfortable in large crowds and around small children. Pet owners enter contest at their own risk and are solely responsible for their pet's actions. Images of pets participants may be used on printed, digital and/or Internet locations based on permissions granted above.
